"Making Good" is the keynote of the success of this, the largest and most important Advertising Agency in the South.

Our success is founded upon the success of our clients, and attested by the ever increasing business of both.

We do not indulge in experiments or high sounding promises, but our advertising service is based upon long years of practical experience.

Every department of our agency is in charge of most competent men, every one a result-getter.

No matter how small your account may be at the start, we give it our closest attention, and carefully study the various points of your proposition, ever on the alert to produce the best results.

Our advertising service has helped a great many Southern Enterprises, and we number among our clients firms of national scope and reputation.

If you have the advertising proposition, we have the experience and the organization.

The FOUNDATION

Of nearly every successful Business Venture of today is Advertising—the PRINTING PLATE!

Can you afford to slight so vital a factor?

Is it business economy to fill high priced space with a poorly designed, poorly illustrated printing plate?

The fact that we are kept busy day and night making good ones leads us to think NOT
